**MOTION OF THE VALOIS DEFENDANTS FOR LEAVE
TO FILE A CORRECTED MOTION IN LIMINE #3 (DKT. 700)**

The Valois Defendants respectfully request leave to file a corrected version of their Motion in Limine #3 (Dkt. 700).

In their original motion, the Valois Defendants stated that Plaintiffs had not supplemented their interrogatory answers to identify objective evidence of non-obviousness. Plaintiffs informed the Valois Defendants on February 6, 2014 that this statement was inaccurate, which it was. The Valois Defendants now seek leave to file a corrected motion.

The proposed corrected motion is submitted herewith as Exhibit 1, together with the omitted supplemental interrogatory answers (Exhibits L and M).

To prevent any prejudice to Plaintiffs from this correction, the Valois Defendants suggest that Plaintiffs be given an additional day to respond to the corrected motion, with that time coming out of the period allowed for the Valois Defendants' reply. A proposed order is submitted herewith (as part of the Notice of Waiver of Hearing) which so provides.

Dated: February 6, 2014

Respectfully submitted,

/s/ Scott Border
